TRANSFERS Section 16a. Transfers (formerly Move-ups).

After a dog earns a title, it may be transferred to another class in a future trial, even though the closing date for the trial has passed. A transfer (from an obedience class to an obedience class; or a rally class to a rally class) may be requested if, according to the owner's records the handler and dog are eligible and the dog has completed the requirements for the title after the closing date of the trial in which the advanced entry is to be made. The request for a transfer must be in writing and presented to the trial secretary at least 30 minutes prior to the start of each trial. Transfers may be approved provided the class and judge are available, and the class has not reached its limit. Movement between an "A" and "B" class at the same level is not considered a transfer.... Refer to Entry of Ineligible Dog, Section 16b

ENTRY OF INELIGIBLE DOG Section 16b

A dog which has been entered in an "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler, may be moved to the "B" class at the same level under the following condition: 1) The request for the move must be in writing and presented to the trial secretary at least 30 minutes prior to the start of each trial. 2) The request must state the reason and justification for the move from an "A" class to the "B" class within the level.
