## SPECIAL NOTICE - ALTERNATE ENTRIES

In accordance with AKC Tracking Regulations, Chapter 1, Section 12, entries in this Test shall be accepted up to the official closing date, even though the advertised limit has been reached.

**A drawing to determine which entries will participate in the Test will be held at 7:00 p.m., Thursday, March 7, 2019, 31214 Columba Ct, Tomball, Texas 77375.** This drawing will be conducted by the Test Secretary and shall be completely random among all entries received, except that preference shall be given to dogs that have not earned their title.

When the advertised limit has been drawn, all remaining entries, subject to the same preference set forth above, shall be similarly drawn and assigned a position on an Alternates List.

If the limit for entries is not reached in one test and the limit for entries is exceeded in the other test, the number of tracks may be exchanged up to a maximum of 12 TDs or 6 TDXs.

Following the draw, the Test Secretary shall promptly contact all entrants and advise them of the outcome. Alternates shall be given the option to accept or decline being placed on the alternate list. Those who accept shall be placed on the alternated list in the order in which they were drawn. Those who opt to decline shall have their entry fees (and certification) returned. Entrants and alternates who are not given the opportunity to run a track, shall have their entry fee (and certification) returned.

In the event an accepted entry cancels following the closing of entries, the Test Secretary shall contact alternates according to their placement on the Alternates List. Upon such notification, alternates shall have the option of accepting or refusing the opportunity to participate in the Test.

In the event an accepted entry is absent on the day of the Test, it shall be the responsibility of the Test Secretary to determine if alternates are present and to determine, by their position on the Alternates List, which of the alternates shall participate.

The assignment of dogs to the tracks, by the drawing of lots, is the responsibility of the judges.
